Since 1991

Discovery Café:
creating synergies between human
and artificial intelligence

7th of June, 2022
Mexico City

Dr. Susanna Karakhanyan & Dr. Simona Lache

The Purpose & Questions to be Explored

The Purpose

To encourage a collaborative dialogue and connect diverse perspectives in exploration of new solutions for establishing synergies between artificial and human intelligence.

The Questions

1. What is the key to success for effective management of human resources given the disruptions
2. What are the key elements for success in application of artificial intelligence in QA
3. How to create synergies between human and artificial intelligence?

The Set Up

1. **Format:** The World Café will consist of three twenty-minute rounds. At the end of the twenty minutes, each member of the group moves to a different new table.

2. **Table Hosts:** By the end of the first twenty minute discussion the participants will choose a Table Host who will remain that the table, the rest will move to other tables of their choice. The Table Host will welcome the next group and brief the new group on the previous round of discussions for no more than 2 minutes.

3. **Questions:** each round of discussions evolves around a specific **question**. The three questions build upon each other logically.

4. **Outputs:** after the three rounds are complete, the Table Hosts will be invited to summarize the outcomes for each table with the support of the Facilitators.

   ❑ The Summaries will be presented to the general Forum participants on June 8 during a specially allocated session.
   ❑ The doodled sketches will be displayed through a power point presentation.

World Café Code of Conduct

- Focus on the actual core that matters

- Share your ideas

- Try to be open to diverse perspectives and listen to understand and appreciate diversity

-

- Connect your ideas with others

- Link diverse perspectives to innovate

-

- Play, doodle and draw – use your tablecloths to full effect

- Love what you do!

Expectations for the 8ᵗʰ of June session

- ❑ The Table Hosts are invited to prepare summaries for the next day presentation.

- ❑ The doodled outputs will be converted into a power point presentation and used during the presentation.

- ❑ Each table host will have 10 minutes to present the results (depending on the number of tables the presentation time might change).
